TX Optometry License #: _____

- _____ TOA/AOA Member \$100 if paid by March 1st, 2020
- _____ Non-TOA/AOA Member \$200 if paid by March 1st, 2020
- _____ Late Fee Extra \$50 if paid after March 1st, 2020

This represents no change in dues for our members from last year. If you're not a TOA member, please take the time to join. Due to new state regulations, sponsored meetings have and will continue to become more challenging to obtain. In order to provide the quality CE that our society has come to expect, we must promptly collect our dues in order to budget our meeting costs throughout the year. We encourage all members to register today to allow our society to provide the best meetings possible. With that, we will also assess a \$50 late fee for members who have not paid by March 1st, 2020.

I hereby apply for membership to the Dallas County Optometric Society. If elected, I will abide by its bylaws, Code of Ethics as outlined by the American Optometric Association, and I agree to pay all dues and assessments promptly. All dues must be received by 03-01-20 as to not incur a \$50 late fee.
